# It's All About Love

## Ancient meets modern

Lika Behar designs hand-wrought jewelry with hammered 24-karat gold, oxidized sterling silver, gem stones and diamonds – the very same resources used to forge lavish jewelry in Turkey for centuries.

Lika, who now resides in New York City, was born and raised in the magnificent city of Istanbul and still operates from her own atelier there. Her jewelry, all hand-fabricated, is fashioned using the same classical techniques as ancient artisans, now blended with a modern feminine flair. Luminous gemstones are an homage to the palette and tones of the Mediterranean. Emeralds, turquoise, lapis and labradorite harmonize with the magnificence of pure 24-karat gold while mixed metals provide a wonderful juxtaposition when paired with stones of various hues and textures.

The Collection is classic yet contemporary, and is infused with impassioned spirit and rich history.

## Welcome

We are pleased to introduce the inaugural Select Jewelry Show in Tucson at the La Paloma Resort.

Select Jewelry Shows began in 2010. They are smaller, more intimate two-day events, Sunday and Monday, featuring popular and prestigious brands and collections.

The Select Show in Tucson provides retail jewelers with a comfortable and convenient environment to conduct business, network and create lasting relationships with nationally recognized fine jewelry designers and top tier manufacturers.

The staff of the La Paloma has been hard at work to help make your visit to Select enjoyable and memorable.

A signature feature at Select is the buyers' raffle. Held on Sunday and Monday a total of \$10,000 is distributed to a few lucky winners to be spent on the show floor. There are multiple ways to win.

Sunday afternoon you are invited to The Select Show Super Bowl party where you can cheer for your favorite team while enjoying cocktails and hors d'oeuvres with friends and colleagues.

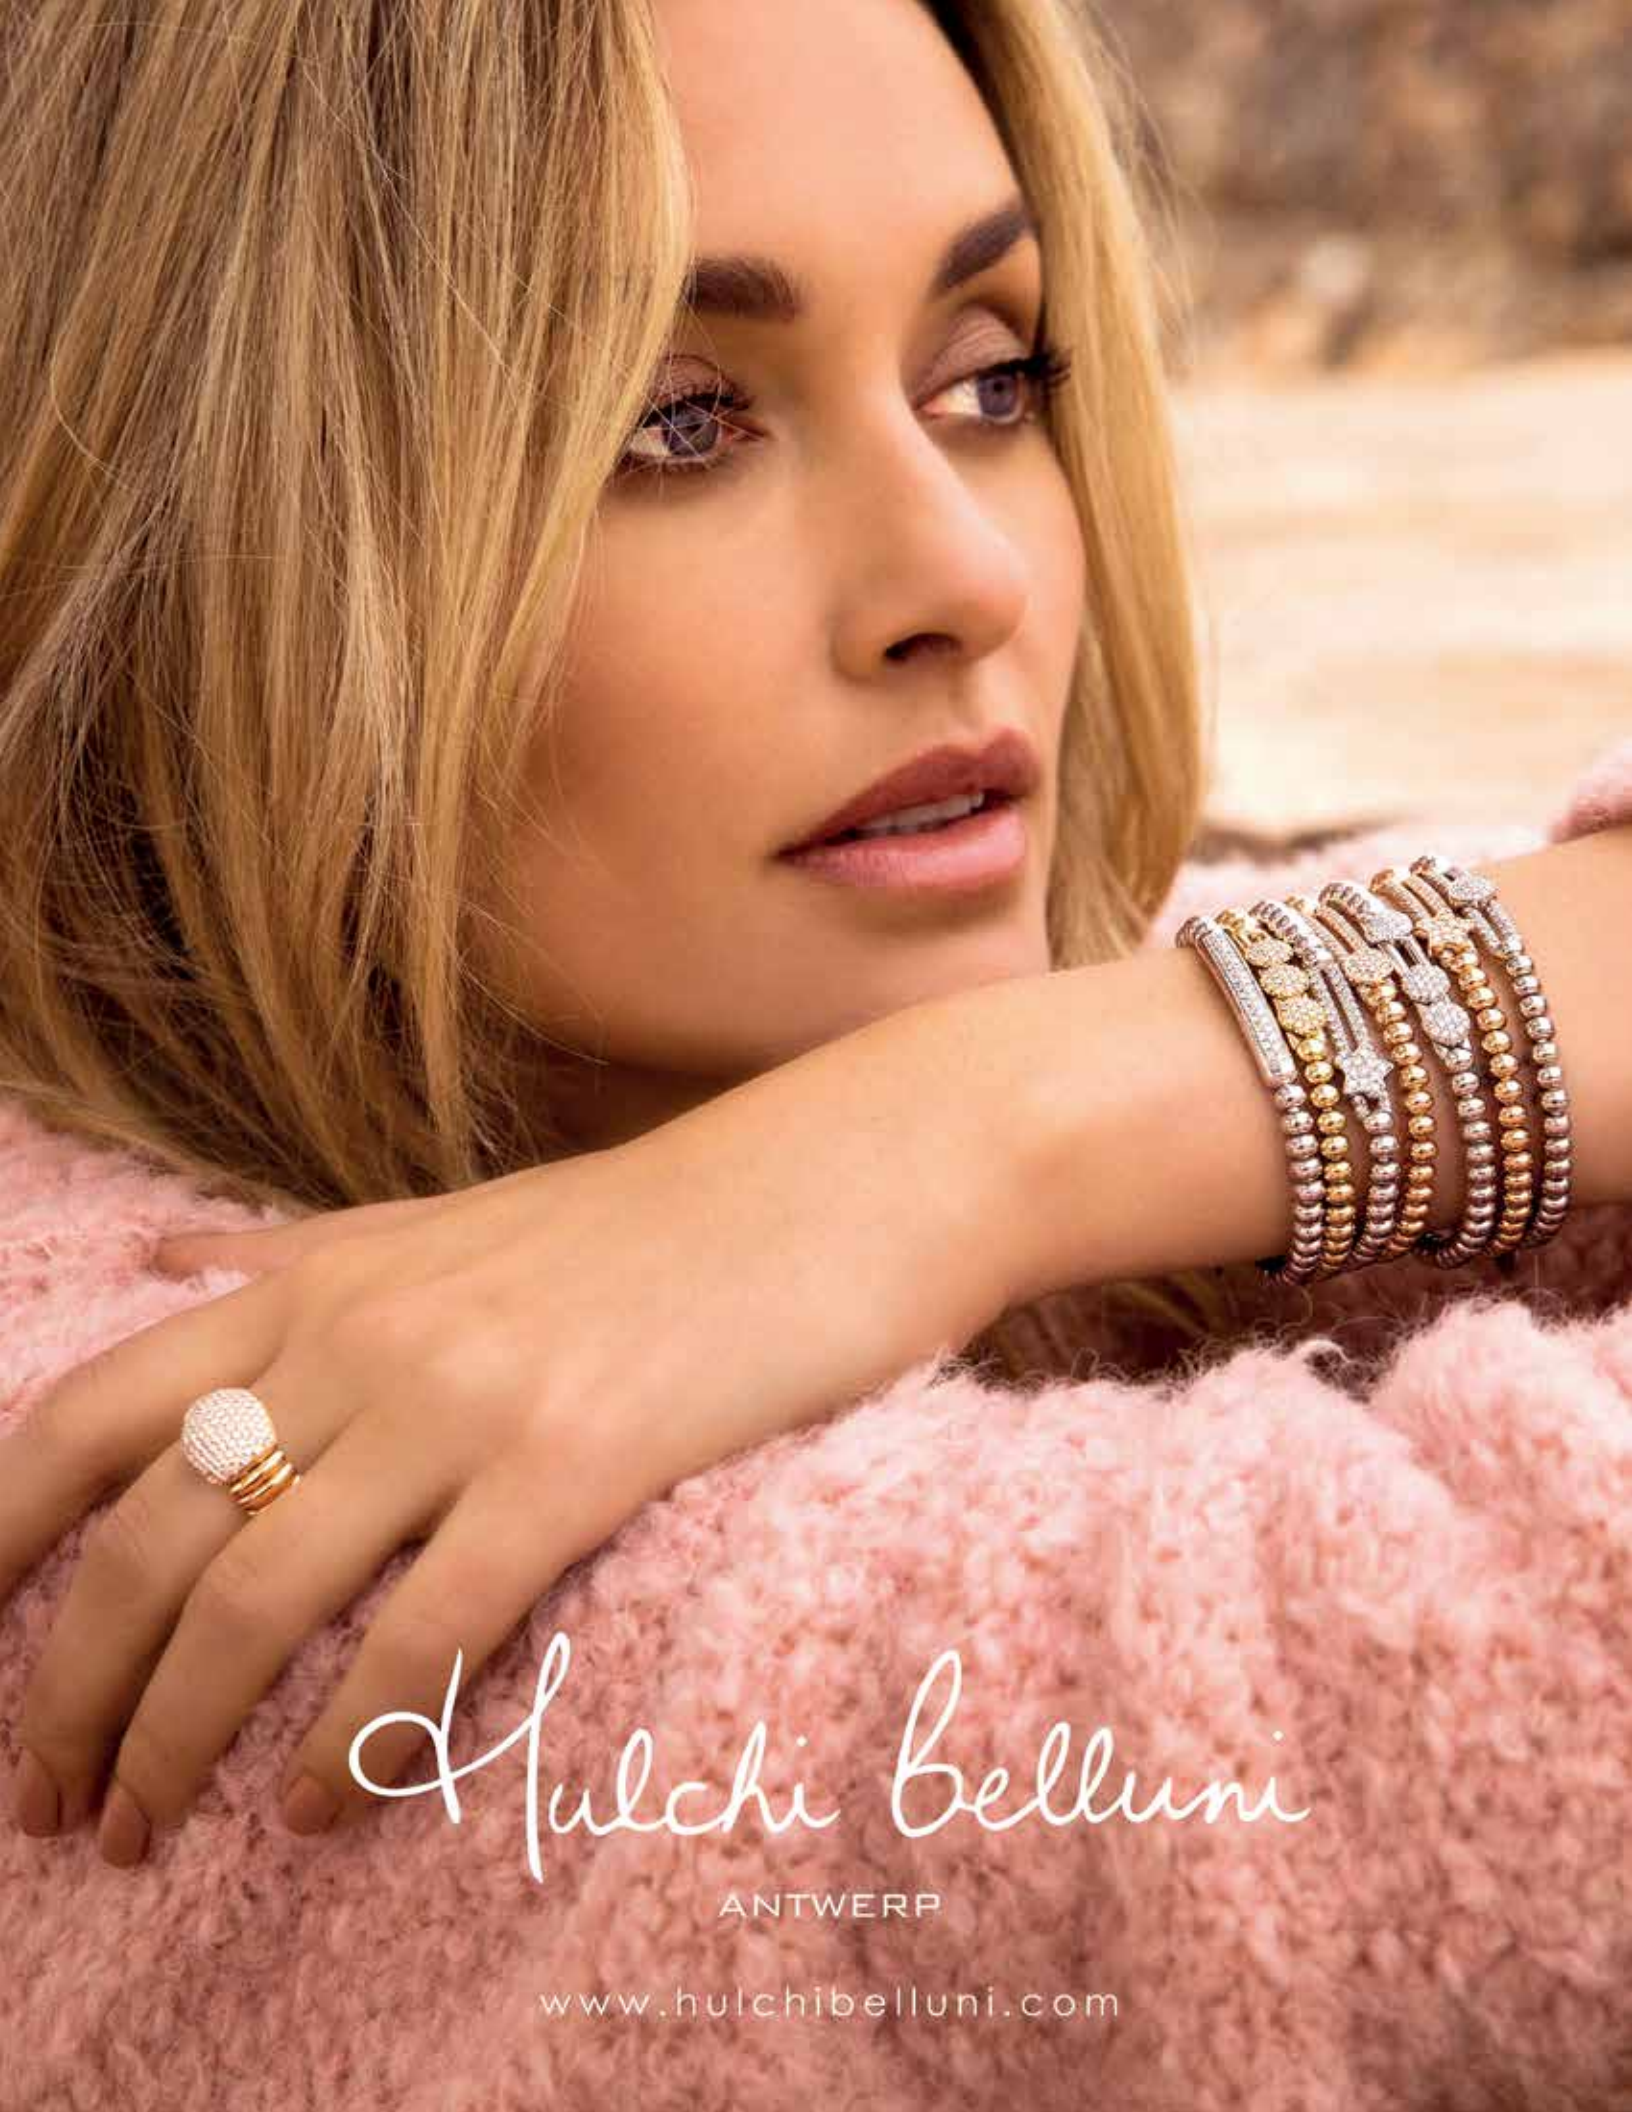

Please mark your calendar for February 2-3, 2020 to be part of this wonderful jewelry industry event.

Your hosts,  
Joe Carullo, Jordan Brockhaus-Spears, and Andy Kohler
